

KC's Cheer and Dance Center
2026-2027
Pep Squad Informational Packet
(ages 5 and up)

KC's Pep Squads are cheer teams designed as an introduction for young girls and boys who have an interest in learning and improving basic cheerleading skills and performing those skills at events in our community. Our Pep Squad does not compete and team members will not have to "try out" for their spot on our team. We are all about learning and having fun!

Pep squads will practice for one hour per week. Weekly instruction will include the basic fundamentals of cheer and dance. We will work up to a mini routine to perform for local community events. In addition, tumbling will be offered at a discount rate to pep squad members.

Pep Squads will perform at a minimum of 5 times at local community events. ie(Fall Fest, High School Basketball game, Christmas Performance, Charity Event and Competition, Parades) Pep squad season runs from June- May including our annual end of the year recital. There will also be specialized cheer classes offered during the summer schedule to teach basic technique, tumbling and cheer dance. Be sure to check out the class schedule.

Parents will be given notice of confirmed performance dates/times **at least** one month prior to the scheduled event.

* Expenses related to travel to/from and any expenses incurred during these events are not included in tuition and fees.

Attendance: Although we do not compete, we always want to have the best performance possible. For this reason cheerleaders may not miss the two

practices prior to a performance. Any member missing one of these practices for any reason will be removed for that performance only. Our teams work hard all season to learn and perfect their routines and it is very difficult for them to change so close to a performance date. We are a team and our routines will incorporate each member as such, so your good attendance will help ensure our success this year. We appreciate your understanding regarding our attendance policy and for recognizing that it is for the best of the team and each of its members.
